

Appositions have SEO Value

This is a list of appositions I could use in my content. They are concise ways to inform the search engines about me and my work (if you are a content provider, your client and their work).

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____
